

18 March 2019

Dear Parents/Carers

SWIMMING

All children in Year 3 will be going swimming as part of the PE curriculum. There will be 10 lessons in the **Summer Term** on the following Mondays;

Apr	29			
May	13	20		
Jun	03	10	17	24
Jul	01	08	15	

We believe that it is very important that children develop the ability to swim both from the point of view of fitness as well as safety. That is why the school has, as usual, subsidised swimming to bring the voluntary contribution requested from parents down to a reasonable amount.

Therefore school is requesting £40 from parents as payment towards the cost of 10 swimming lessons for the Summer Term.

Your child will need to bring along a swimming costume, towel and swimming hat. Swimming hats are available to purchase from school for £1.00

Please return the slip to the office by Monday 1 April 2019 at the latest. Please make your payment online via the School Gateway (on the school website 'Our School' drop down). If you are unable to use this system please come to the office to sort payment.

We always ask if there are a group of parents who would be willing to accompany the children to the pool on a rota basis. It is likely that you would be called upon maybe once or twice during the term. You will be required on a Monday from 12:50-2:40pm. We will need to DBS check all volunteers, therefore, please return slips as soon as possible so we can start this process.

Many thanks.

Yours sincerely

Sharon Barton
Head Teacher

✂

I/We give permission for my child In Year 3 to attend Swimming lessons in the Summer Term 2019.

Please pay via Schoolcomms.

Signed I am able to volunteer Yes/No
