Dear Parents/Carers

Breakfast & After School Club

As you know our breakfast club and after school club are both very popular in school. We now offer breakfast club every day and Friday morning has 10 regular attendees. Currently After School club does not operate on a Friday afternoon. This decision has been based on both a lack of demand and our ability to staff these sessions. We are happy to explore the possibility of extending the service to offer a Friday afternoon, but this would again depend on there being sufficient demand and staff available to work these hours.

Please could you email mariak@camp.herts.sch.uk if you would use a Friday after school club on a regular weekly basis. We will also offer this possibility to our newly allocated families for Reception in September 2019. Please let us know by Friday 10th May.

If there is sufficient demand we will then look to staff the session with appropriately experienced and qualified staff. Therefore, at this stage, an indication of your interest is not a guarantee that the service will be in place.

Thank you for your co-operation
