

13th June 2019

Dear Parent/Carer,

Year 2 local trip to Highfield Park

As you may already know, the children in 2 are learning about plants and explorers this term so we have planned a visit to Highfield Park on Tuesday 18th June 2019. There is no cost for the event. We will be walking there and will be back before lunch so no packed lunches are needed. Children come to school at the normal time. We will have 5 members of staff to support the children.

Your child will need to bring:

- A water bottle if the weather is warm
- Suitable footwear and a waterproof coat as all of our time will be spent outdoors
- Wellies (in a named bag) would be useful in case the park is likely to be muddy.

As you have signed an overall permission slip for small local trips, you do not need to reply to this letter but please see Ms Simoneau or Mrs DuPlessis if you have questions.

Yours sincerely,

Year 2 team
