Bikeability Cycle Training for Year 5 & 6

Dear Parents and Carers,

We have the opportunity for children in Year 5 & 6 to take part in a cycle training course this term, run by the Hertfordshire Cycle training Team, during the week of 10th to 15th February. The course combines Level 1 (skills) and Level 2 (on-road) cycle skills. We believe that this is a fantastic opportunity, as it will ensure that the children are able to ride their bicycles safely, and develop their road safety awareness.

The course will be run every day from Monday to Friday that week, at Camp, during the school day. The children will each need to bring a bicycle and a helmet of their own to school each day that week. The bicycle must be in good condition and the appropriate size for the child. They will also need to have a waterproof coat and gloves with them, in case of wet or cold weather. Please note that the use of cycle or helmet mounted cameras is not permitted during Bikeability courses.

The cost of this course is £27 per child. This is a great reduction from the normal charge as the government are currently providing funding to help encourage children to take part in cycle training. Each child will receive a certificate and a badge for the highest level they achieve.

There are sufficient places available on the course for all children to take part if they would like to but we do need to confirm final numbers by next Friday 17th January. If you would like to reserve a place for your child, please complete print the permission slip below and return it to the school office as soon as possible, at the latest by Friday 17th January. Ideally please make all payments via the school gateway. The cost of £27 will be added to all pupils in year 5 and 6 for on-line payment.

We are aiming to offer this training in school once every 2 years. Therefore children in Year 5 will need to take part in the training this year.

Yours sincerely,

Sharon Barton

Head Teacher

Cycle training for Year 5 and 6

I give permission for my child, in Year, to take part in the Cycle Training course during the week beginning 10th February and have made payment on-line to cover the cost of the course.

I confirm that my child has a bicycle in good condition and a helmet that they can use every day during the course

I would like to let the instructors know about the following medical conditions that my child has:
