

Curriculum driver/s: Spiritual and Moral Development

We will focus on key people in designing and engineering methods of flight. We will discuss the determination and perseverance they have shown and how we can manage our own feelings when our designs do not finish completely as we have planned.

Areas of Learning:

As Historians, we will learn about significant people and events in the past that have contributed to achievements both nationally and globally.

As Geographers, we will use aerial images and plan perspectives to recognise landmarks and basic physical features. We will further our understanding of maps and atlases and use simple compass directions.

As Scientists, we will learn about properties of materials and think about suitable materials and their uses.

As Computer Programmers, Year 1 will use simple graphing software to understand and create pictograms. We will also understand what algorithms are and write and test simple programs.

As Designers and technologists, we will share and develop ideas to design a product. We will select from a range of tools to perform practical tasks such as cutting, shaping, joining and finishing.

As Artists, we will learn about key artists in space and aerial landscape art. We will share ideas using drawing, painting and sculpture and explore a range of techniques to design our aerial pictures.

As Musicians, we will develop our understanding of rhythm and how we can make different sounds. We will use this to create short musical patterns and rhythmic phrases.

As games players, we will participate in team games, developing our ball skills with our hands and our feet.

As dancers, we will perform dances using simple movement patterns.

In RE, Year 1 will be focussing on how different practices within Islam and Christianity show belonging to a family and a community, We will explore prayer and worship within these religions and understand the events of the Easter Story.

Our PSHE focus for this term is "Health and Well-being" where we will focus on keeping our minds and bodies healthy and feeling good about ourselves.
