Dear Parent/Carer

We have a new convenient way for you to **access, review and request changes** to the data held on you and your children, direct from your phone as well as see key term dates.

From Friday, 04 October 2019 you will be able to access our new parent app and website at your own convenience via smartphone, tablet or PC – anytime, anywhere.

What will you find in SIMS Parent:

- School term, inset dates and contact details available at the click of a button
- Access to update your contact details, so we always have the most up-to-date information in case of emergency
- If you have more than one child at school, you will have access to this information for all your children, from the same app.

Getting started with SIMS Parent

1. We will be sending you an activation email - simply click on the link from your tablet, PC or smartphone to activate your account.
2. You can then login using your normal **Facebook, Twitter, Google** or **Microsoft** username and password.
3. From your smartphone or tablet, download the app from the Google Play or Apple App store - search for **SIMS Parent**.
