

Wednesday 26th February 2020

Dear Parents and Carers,

Coronavirus

Please be reassured that the Department for Education and Herts County Council are continuing to keep schools updated on the government's response to COVID-19 (Coronavirus). The government is closely monitoring the spread of Coronavirus and is taking action at home and abroad. Public Health England advises that the risk to individuals in the UK remains low.

As a school, we are constantly monitoring/checking the latest information and guidance about all safeguarding issues, including Coronavirus, and taking actions as appropriate.

Taking basic hygiene precautions remains the best way to reduce the chances of spreading any virus: sneeze or cough into a tissue, bin it, wash your hands frequently and don't touch your face unless you've just washed your hands. We will be reminding the children to follow this advice in school.

Latest information and advice about the virus can be found at:

<https://www.gov.uk/coronavirus>

Yours sincerely

Sharon Barton
Head Teacher
