

Camp School Summer Homework July 2020

Reading

Over the summer, we would like you to keep up your reading at home. This could be through your own individual reading, audio books, stories that are read to you, perhaps you have an app that has online stories you could read too, you can also download books to read or listen to with the Hertfordshire library app.

Task:

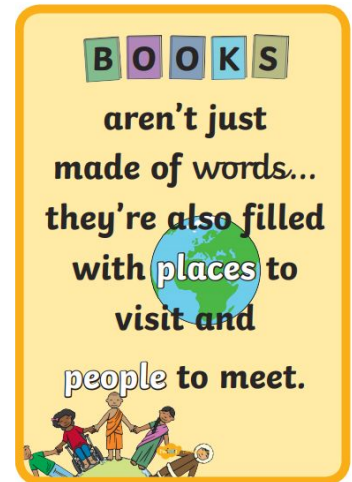

Choose one of the books you have read that you have enjoyed the most and would recommend to your class.

We would like you to present your recommendation in a format of your choice.

You could:

- Write a book review
- Design a poster
- Draw a picture of your favourite part in the story
- Share the synopsis (but do not give away any big spoilers)
- Record a video review
- Read your favourite extract
- Create a movie-style trailer for the book
- Talk or write about your favourite character
- Write and perform a song or rap about your chosen book

Or something else of your choice

Paper size: A4 or smaller

Video length: Under 3 minutes

There will be an opportunity to share your recommendations with your class at the start of the new term if you would like to.

Have a wonderful summer holiday.

Happy Reading!
