Dear Parents and Carers,

### Update for all year groups

The long awaited Government guidance regarding further opening of schools was released yesterday morning. We are pleased to confirm that we can now proceed with our plans to welcome all year groups back to school on a full-time basis from September.

School will continue to look different for pupils in the Autumn term. We are asked to minimise contact between groups of children from different year groups so will continue to operate on the idea of the children and staff belonging to a year group 'bubble'. We are also being asked to maintain the stringent hygiene and cleaning regulations we are currently working to. We may also continue to operate with staggered start and finish times.

As we update our risk assessment and make final decisions on areas such as school meal provision, extra-curricular activities etc we will continue to keep you fully updated.

As always please do contact us directly if you have any further questions or we can offer additional support at this time.

I hope you all have a lovely weekend.
