

5th May 2021

Dear Parents or Carers,

SUMMER TERM CLUBS 2021

In line with the easing of restrictions, we are pleased to be able to offer you some after-school activity clubs to take place during the Summer term. We do appreciate there are not as many clubs as usual on offer and that spaces in these are limited. This is because we still need to follow our risk assessment and keep the children in their class bubbles. However, we were keen to offer some clubs as a starting point.

The clubs list is now available on our website – clubs and activities/summer term. To book a place please go to the website and use the link posted against each club to access the online booking system for that club. **Booking opens from 6pm on Thursday 6th May.** Most of the clubs will start from week commencing 10th May although Gym starts after half term.

All bookings and payments are made directly to the club providers and not through the school office. Places will be allocated on a first come first served basis from 6pm on Thursday 6th May. As spaces are limited we are asking that you only book a place at one club. This will mean spaces across the week are available to more children. Thank you for your understanding and co-operation with this.

All the children who need to change into PE kit for a club will change in their own classroom at the end of the school day. Uniform will be put into PE bags and taken to the club location. We are requesting that **all children go home in PE kits**, so you may wish to include a pair of jogging trousers for the journey home.

We have listed the drop off and collection points for each club. Parents should wait outside the door at collection time and the provider will bring the children to the door.

After half term, we hope to start Running and Netball clubs and will issue further information on these shortly.

Please note clubs do not run during half-term or in the last week of term.

Many thanks,

School Office Team
