

12th November 2021

Dear Parents and Carers,

Yesterday we held our annual Remembrance Day assembly and across the school took part in the 11am silence. The poppies that the children had made were assembled into a beautiful poppy chandelier. Thank you Ms Sultan for producing such a beautiful display again.

The school council have been busy too - selling poppies in the playground each morning. The Year 6 representatives also visited the local foodbank this week so they could see where all our Harvest contributions had gone and how the foodbank was supporting local families.

This week we have also welcomed our School Effectiveness Advisor into school to look in detail at writing. She visited a number of classes and looked at work in books and was very impressed by the focus and enthusiasm for learning all the children showed.

Year 5 had a really enjoyable time on Wednesday, as they immersed themselves into Ancient Greek day. Everyone dressed up, learnt about daily life in ancient Greek times and then spent time cooking up a feast which they enjoyed together in the afternoon. They also created and wrote about a mythical creature, adding some art work too. Gracie and Sasha were full of enthusiasm as they described the day and said that the Greek dancing (which they hadn't managed to fit in) would be taking place today - hopefully without any plate smashing!

Please can I remind you that we have a vacancy on our Governing Body for a new Parent Governor. The paperwork was emailed out last week and nominations close on Tuesday 16th November at 3pm. Please do consider if you are able to support the school by taking on this important role.

Finally, a reminder that the school office is open to answer any questions and provide admin support to parents as needed. We do request that if you are coming into the school, even just into the entrance lobby, that you wear a face mask. Thank you.

Sharon Barton, Head Teacher
