

PSHCE + FOCUS:

Staying safe: We will continue learning about how to keep ourselves safe by learning Protective Behaviours. We will learn that some of our body parts are private and that 'my body belongs to me'. We will also talk about worries and learn that talking to someone about our worries can help us to feel better. We will then learn about how to spot hazards in the home and how to stay safe when we go out and about with our family for example when crossing a road or if we get lost. **Health and Relationships:** We will be learning about growing and caring for ourselves. This will include learning how to keep ourselves clean, learning that babies grow into children and then into adults and learning that there are different types of families.

CURRICULUM DRIVER FOCUS: Our theme for this terms is Seasides

History Topic	Key Learning and Theme We will learn about the History of Seaside Holidays and leisure in Victorian Times. We will explore films, photos, and descriptions to notice the differences between now and long ago.	Art Key Learning: We will explore sculpture with different materials and textures. We will learn how to attach different materials to each other using different techniques.	DT Key Learning: Key Learning We will learn about structures by making a seaside pier.
Geography Topic	Key Learning and Theme We will begin to learn about the geographical differences between seaside environments and St Albans. We will learn and use key vocabulary to describe landscapes. We will plan a class trip linked to the seaside topic.		

Discrete Subjects (links to main theme in bold if applicable)

<p>English /Guided Reading</p> <p>Coming to England: We will be learning about accounts of real experiences of moving to a new country. We will explore writing an account of our own real event using descriptive language and adverbs of time (first, next, then, finally).</p> <p>Poetry We will be learning about free verse poetry learning and focusing on reading and responding to free verse poetry, generating vocabulary to describe pictures or objects, and to perform a poem we wrote about the class. We will also be comparing free verse to rhyming poems such as the Dinosaur Rap.</p> <p>Voices in the Park: We will learn to explore feelings in the story, use vocabulary linked to feelings and record the reactions of characters. We will use adverbs of time to help sequence events to form a short narrative recount.</p>	<p>RE Christianity, Islam, Judaism</p> <p>Sacred texts: we will find out about the Bible, the Torah and the Qur'an, who reads them, when and why.</p> <p>Faith stories: we will read stories from different faiths and find out what messages they contain.</p> <p>Big Questions about God: we will think about what people of different faiths believe God is like.</p>	<p>Computing</p> <p>We will use Purple Mash and other programs:</p> <p>Coding: we will begin to learn how to use coding using a programme called 2Code</p> <p>Maze Explorers: We will navigate through an</p>
--	---	--

<p>Non-fiction - non-chronological reports: we will read an information book about the seaside and learn how to write in a factual way. By the end of the term we will have created a class book with writing from all the children.</p>	<p>Taking responsibility: we will think about questions such as 'whose world is it?' and should everyone in the world take responsibility for looking after it?'</p>	<p>on-line maze or maps and learn to follow and give directions to others.</p>
<p>Maths</p> <p>Numbers up to 50 (and up to 100): We will learn to count up and back from any numbers up to 100 and will be able to read and write these numbers and will order and compare them.</p> <p>Multiplication, Division & Sharing (leading to simple fractions): We will learn about arrays and repeated counting. We will learn about sharing and grouping and will begin to solve problems using multiplication and division. We will learn about halves and quarters and identify these accurately.</p> <p>Coins: We will learn to recognise coins and make different totals in different ways.
